**“This know also, that in the last days
perilous times shall come...
But continue thou in the things
which thou hast learned
and hast been assured of,
knowing of whom
thou hast learned them;
And that from a child thou hast
known the holy Scriptures,
which are able to make thee
wise unto salvation
through faith
which is in Christ Jesus.”
~ 2 Timothy 3:1,14,15**

FAMILY MATTERS

REFLECTING CHRIST

"The usefulness learned on the school farm is the very education that is most essential for those who go out as missionaries to many foreign fields. If this training is given with the glory of God in view, great results will be seen. No work will be more effectual than that done by those who, having obtained an education in practical life, go forth to mission fields with the message of truth, prepared to instruct as they have been instructed. The knowledge they have obtained in the tilling of the soil and other lines of manual work, and which they carry with them to their fields of labor, will make them a blessing even in heathen lands."
