**“For the hope
which is laid up for you in heaven,
whereof ye heard before
in the word of the truth of the gospel;
Which is come unto you,
as it is in all the world;
and bringeth forth fruit,
as it doth also in you,
since the day ye heard of it,
and knew the grace of God
in truth”
~ Colossians 1:5,6**

REFLECTING CHRIST

"A day of great intellectual darkness has been shown to be favorable to the success of the papacy. It will yet be demonstrated that a day of great intellectual light is equally favorable for its success. In past ages, when men were without God's word and without the knowledge of the truth, their eyes were blindfolded, and thousands were ensnared, not seeing the net spread for their feet. In this generation there are many whose eyes become dazzled by the glare of human speculations, 'science falsely so called;' they discern not the net, and walk into it as readily as if blindfolded. God designed that man's intellectual powers should be held as a gift from his Maker and should be employed in the service of truth and righteousness; but when pride and ambition are cherished, and men exalt their own theories above the word of God, then intelligence can accomplish greater harm than ignorance. Thus the false science of the present day, which undermines faith in the Bible, will prove as successful in preparing the way for the acceptance of the papacy, with its pleasing forms, as did the withholding of knowledge in opening the way for its aggrandizement in the Dark Ages."
