# FAMILY MATTERS

## REFLECTING CHRIST

“It was a singular way of going to battle against the enemy’s army—praising the Lord with singing, and exalting the God of Israel. This was their battle song. They possessed the beauty of holiness. If more praising of God were engaged in now, hope and courage and faith would steadily increase. And would not this strengthen the hands of the valiant soldiers who today are standing in defense of truth?”

~ *Prophets and Kings*, p. 202
