FAMILY MATTERS

REFLECTING CHRIST

“Sinners’ perversity, their resistance of the truth, makes the mission of Christ appear to be what He announced to His disciples—the sending of a sword upon the earth; but the strife is not the effect of Christianity, but the result of opposition in the hearts of those who will not receive its blessings.

From the first presentation of Christianity to the world, there has been a deadly warfare instituted against it.... Those who suffer for the truth know the value of a pure gospel, a free Bible, and liberty of conscience.”
