FAMILY MATTERS

REFLECTING CHRIST

"It is Christ that loves the world with a love that is infinite. He gave His precious life. He was the Only Begotten of the Father. He is risen again from the dead, and is at the right hand of God, making intercession for us. That same Jesus, with His humanity glorified, with no cessation of His love, is our Saviour. He has enjoined upon us to love one another as He has loved us. Will we then cultivate this love? Shall we be like Jesus?"
