# FAMILY MATTERS

## REFLECTING CHRIST

“Those who have the gift of song are needed. Song is one of the most effective means of impressing spiritual truth upon the heart. Often by the words of sacred songs the springs of penitence and faith have been unsealed.... Church members, young and old, should be educated to go forth to proclaim this last message to the world. If they go in humility, angels of God will go with them, teaching them how to lift up the voice in prayer, how to raise the voice in song, and how to proclaim the gospel message for this time.”

~ *My Life Today*, p. 238
